To Our Valued Customers

The Lee and Hancock County Shoppers have merged with Mississippi Valley Publishing Company, publisher of the Keokuk Daily Gate City, Fort Madison Daily Democrat, Hancock County, Ill., Journal-Pilot, and Bonny Buyer.

The merger was effective Tuesday.

Bill and Steve Helenthal, longtime publishers of the Lee and Hancock County Shopper, have joined the company as vice presidents and directors, and have been appointed co-publishers of all Mississippi Valley publications and products.

The Helenthal brothers have a long history in publishing activities in the region dating back to the Shoppers Free Press which was founded by their father, Francis J. Helenthal, in 1972. Steve and Bill, known as "The Shopper Brothers," both joined the publication after graduating from Hamilton High School, and founded the Hancock County Shopper following Francis' retirement as publisher of the Keokuk Daily Gate City in 1984.

The Helenthals expanded the shopper into Clark County, Mo., and South Lee County following the opening of the new Keokuk-Hamilton, Ill., bridge. More recently, the shopper's distribution has grown to cover the northern regions of Lee County as well as Farmington in Van Buren County.

Both brothers are community-minded and heavily involved in various area projects. Steve is chief of the Hamilton Volunteer Fire Department, and has been a member of the department for 25 years. He also helped organize the development and construction of the new fire station addition in Hamilton.

"I'm very pleased with the formation of the new Mississippi Valley Publishing Company with Mr. Perrotto and his family," Steve said. "It's our pledge to you, our readers and advertisers of the Tri-State Area, to bring the very best in news, advertising and delivery possible."

Bill is very active in the community, maintaining membership in the Hamilton Kiwanis Club for more than 30 years. He has been chairman of Kiwanis community fundraising efforts, which support Hamilton area events and activities, including scouting, schools, parks, and food pantry, and support for families in need during the holidays.

"Steve and I are excited about the possibilities for this new venture, with focus on some old ideas for our subscribers and introducing new programs for our advertisers," Bill said. "Bringing local ownership back to these longtime historical papers is a dream come true for us, and we look forward to the opportunity."

Steve sons, Mike and Jason Helenthal, are continuing the family publishing tradition as both hold key positions at the Lee and Hancock County Shopper.

Mike is a graphic designer, and Jason works in advertising sales and production and distribution.

"Bill and Steve Helenthal are dedicated publishers who have a long history of publishing in this area, and are dedicated to the progress of each of the communities located in these counties," said Mark J. Perrotto, chief executive officer of Community Media Group and Mississippi Valley Publishing Inc. "We are pleased to have this opportunity to join the considerable resources of these various publications and the talented staffs to better serve the readers and businesses of this important region."

THURSDAY, DECEMBER 1 • 10:00 AM

DIRECTIONS FROM LIMA, IL - From IL 96 and Road N2800 Ave (Lima-Lorraine Blacktop), go 2 miles east, 1/2 mile north and 3.5 miles east, then 1 mile north on gravel road.

DIRECTIONS FROM LORAIN, IL - From IL 336 and Road N2800 Ave (Lima-Lorraine Blacktop), go 3 miles west and 1/2 mile north, then 1 mile north on gravel road.

TRACT 1 - 105 acres (subject to survey) with approximately 75 acres tillable and the balance being mainly timber with a pond and a few acres of grass hay. There are no building improvements on this tract. Roads on the east and south sides.

TRACT 2 - 84 acres (subject to survey) with approximately 51 acres tillable and the balance being timber, a few acres of grass hay and a pond. This tract has a 6,000-bu grain bin with dryer, stirator, a 2-year-old unloading system and stairs. Roads on the west and north sides.

TRACT 3 - 5 acres (subject to survey). Improved with the following: Single-story, 1600 sq. ft. home with 2 bedrooms, 2 baths, kitchen, living, dining and family rooms, sun room/porch and 1200 sq. ft. basement. It has electric heat, central air, ceiling fans in every room, like-new Rheem 50-gal electric water heater, wood-burning fireplace in the family room and an all-door alarm system.

Included with this home will be all like-new appliances; 28 cu. ft. LG stainless steel side-by-side refrigerator with water and ice in the door and bottom freezer; GE flat-top 30" electric range; GE SpaceMaker built-in microwave; GE Profile dishwasher; GE washer and electric dryer. A 3-car 36' x 48' garage is connected to the house by a covered walk-way. This like-new building has 3 overhead garage doors with openers, a walk-through door and is all insulated. A wall separates a 24' x 36' shop with a small overhead door for mowers and ATVs and a walk-through door. It is insulated as well and has a LP gas furnace. This is a very nice building.

Both the house and garage have tan vinyl siding and green metal hip roofs.

Morton 42' x 60' machine shed built in 2002 with double sliding doors (30' x 15' opening) and a walk-through door. This shed, like the home, is tan with a green roof and wainscot.

54' x 60' pole and metal barn open to the south. Older but very usable.

This is truly the type of "Country Home" that's almost impossible to find for sale. The list of amenities on this property goes on and on.

TSS the safety specialists *Thank You*

Red Ribbon Week is the nation's oldest and largest drug prevention program in the nation reaching millions of Americans during October every year. By wearing red ribbons and participating in community anti-drug events, young people pledge to live a drug-free life and promote the message of positive choices and lifestyles.

With the help from the local businesses TSS, Inc. worked with over 3,500 students in the surrounding tri-state area. This year's theme for Red Ribbon Week was "YOLO, Be Drug Free". On behalf of TSS, Inc we would like to thank you for your generous donations. Without the help from each and every one of you this wouldn't be possible.
