 The American Farmer Edition \$20 Ticket

After several years of trips to Peoria and Chicago for all kinds of tests, stents put in and a pacemaker it got to the point that nothing else was going to help Roger. He needed a new heart. After several weeks in the hospital and a lot of prayers from family and friends he received his new heart. On December 31st he had a 6 hour surgery and everything went very well. He went to his daughters home for recovery and he is now home in Carthage.
