Professional Swine Employment is seeking Full Time Farm Maintenance Technicians, Filtration Technicians and a Maintenance Team Lead

The Farm Maintenance Technicians will perform repair and general maintenance work on facilities, buildings, grounds and equipment at various sites including electrical, carpentry, plumbing, piping, welding, masonry electric motor replacement and other equipment repair. The Filtration Technicians will assist in providing filtration/maintenance support to the production team and managed farms.

The Farm Maintenance Team Lead will provide day-to-day leadership for both internal and contracted maintenance teams coordinating construction upgrades, repair or general maintenance work of managed farms, and also be a part of the internal maintenance team working at the managed farms.

Candidates chosen will work independently with minimal supervision. Candidates will take a proactive approach to troubleshooting and resolving problems effectively and efficiently. Effective oral and written communication skills, strong time management and organizational skills are required. Basic knowledge reading blueprints & schematics is helpful in these positions. A Bachelor of Science degree, 1-3 years industry experience, and basic plumbing & electrical experience is preferred but not required. We offer excellent compensation, time off, retirement and benefits package. Qualified candidates can submit their resume to aglover@hogvet.com.
