WANT to get rid of your PAIN?

Do YOUR Joints feel like a RUSTY Hinge?
Avoid Potential Long-term Damage...

Is Pain Getting on Your Nerves?

Nerves can be tricky suckers. They are all over your body and in every major organ. The sensations from the environment must travel up the nerves and most go through the spinal bones and cord to your brain. The brain tries to comprehend this information and make the best choice based on that input how to respond. If there is interference with this communication it will very often result in nerve pain and certainly in disease. People will often call this a **pinched nerve** or neuralgia.

How to Get Released From PINCHED NERVE PRISON!

Being in pain is like being in prison because you are unable to do the things you want. You might as well be locked up, because flies are getting more out of life than you are. YOU DESERVE BETTER!

Wouldn't you love to:

- Swing a hammer pain free
- Hold the grandkids with one arm.
- Throw away the cane, walker, pain braces.
- Shake hands without pain
- Write cards and letters easily again
- Have a good night sleep
- Hit your 'T-Shot' with confidence- not dread
- Use one hand to hold milk
- Rake , sew, and get lids off of jars
- Not get any more injections, surgery scars
- No more back pain!

8 DANGER SIGNS of a Pinched Nerve!

1. Nasty Numbness: ache, tingles or no feeling in your arms or legs.
2. Electric Elbow: lifting even light things cause pain or a shock feeling.
3. Terrible Tap: just a little bump can make you want to cry.
4. Weak as a Kitten: dropping things is embarrassing and you can hurt someone if it is hot.
5. Driving Disaster: you often need to shake your hands or feet to get feeling again.
6. Toothache in the Wrist: gnawing ache in wrist or hand.
7. Dead Hands or Feet: You have to keep in the 'right position' to stay out of pain.
8. Spine Pain: the littlest of movement hurts and you can't move!

"Thank you Dr O'Dell for giving me back my life. I fell 7 years ago on the ice. Then came MRI's, specialists, and shots in the back... Nothing worked for long. All the doctors agreed that I had a pinched nerve. Finally I just gave up and lived with the pain. I made up my mind to make 1 more try. After 4 1/2 steady years of pain. I'm glad I made that call to Dr. O'Dell. Now life is great without pain. Do like I did make that call. Thanks so much." H.B.

Recognizing Excellence...Allowing patients to make wise decisions.

Dr. Ben O'Dell and his staff was awarded, "10 BEST" in 2016 for patient satisfaction in the state of Illinois!

The third fundraiser is the selling of Red Clay Brick Pavers available in 4" x 8" size which can have any name engraved on them for \$35.00 per brick. It is a wonderful way to honor a family member or friend in the Memory Garden of the Augusta Children's Park. The Lion's thank all of those who have already donated to the Park and those who will donate in the future. This great task will prove to be a great benefit to our community, as we all work together.
